PROCEDURE TO ADD SLOW-NO WAKE MARKERS

1. Obtain GPS coordinates for location of new markers.
2. Complete DNR Form 8700-58, Waterway Marker Application & Permit.
3. Contact local DNR Warden for application review and approval process.
4. The Town Board provides draft ordinance to DNR Warden.
5. The Town Board holds a public hearing.
6. Upon approval by the Town Board, a copy of the ordinance is sent to the local DNR Warden.
7. DNR grants approval for markers to be placed.
